Copyright Transfer Agreement

The authors agree to transfer the copyright of their unpublished and original research article, including any cover illustration and abstract, to the International Journal of Advances in Business and Management Research (IJABMR) upon manuscript submission. By signing this agreement, the authors confirm their consent for the Journal to hold all rights to the work. This includes the affirmation that the article is original and has not been previously published elsewhere.

The article titled _____, authored by _____, is hereby submitted for publication in the International Journal of Advances in Business and Management Research (IJABMR).

- (a) The work is original, has not been previously published, and is not under review in any other journal(s).
- (b) It contains no material that is defamatory, obscene, unlawful, or otherwise objectionable.
- (c) I/We confirm that any copies made under permissible circumstances will retain the original copyright notice as published.
- (d) Additionally, I/We certify that written permission has been obtained for the use of any text, tables, or illustrations sourced from copyrighted materials.
- (e) I/We agree to provide these permissions to IJABMR upon request to ensure compliance with copyright requirements.

Upon acceptance of the article for publication, I/We, as the author(s), agree to transfer and assign all copyright ownership exclusively to the Journal. This transfer includes all associated rights if the work is published by the Journal. The Journal will hold full ownership of the work, including:

- 1) copyright
- 2) the authority to grant permission for republishing the article, in full or part, with or without fees
- 3) the right to produce preprints, reprints, and translations into languages other than English for sale or free distribution, and
- 4) the right to republish the article within collections or compilations in any mechanical or electronic format.

The article will be published under the terms of the latest Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International License, unless the journal notifies the author otherwise in writing.
